

Beta Sigma Phi Field Trip Support

Partnering with Beta Sigma Phi (an international service organization), the Foundation for Fort Mill Schools supported field trips in order to provide all students experiences that provide insight, information, or knowledge that cannot be adequately developed through regular classroom instruction.

2009: Believing that no student should be denied access to a field trip due to financial constraints \$500 was disbursed to each of our 13 schools: \$6,500

2008: Believing that no student should be denied access to a field trip due to financial constraints \$500 was disbursed to each of our 11 schools: \$5,500

2007: Reduced the per-student cost of the 5th Grade Exchange City/Biz Town field trip to 5 elementary schools: \$2,500
