

## Facts about the Foundation for Fort Mill Schools

- Foundation for Fort Mill Schools is an essential resource connecting students, teachers and the community in the heart of Fort Mill, SC, established in 2003 as a 501(c)(3) non-profit organization.
- Our sole mission is to promote academic excellence in the Fort Mill School District. We value great educators and outstanding students by focusing on two key programs: Grants for teachers, administrators and staff and Scholarships to high school seniors.
- Grants - provide financial support to teachers, administrators and staff for Innovative Classroom projects, Professional Development, Art and Technology.
- Scholarships - provide essential financial support for today's college students at a time when college degrees are required for more workforce positions and earning a degree is more financially demanding than ever.
